Office of Emory at Oxford
It is the purpose of MEMORY to remind us of the glorious past of Emory during her hundred years of progress, to present a reminder of the past year with its activities, and of the friendships we have formed while here, and to sound a note for a still brighter future for our Alma Mater.

V. Y. C. EADY, JR., Mascot

Oxford, with its wealth of traditions, offers a rich background for our mascot and our school, both of whom are beginning a new career on this historic campus. "Little Mister" and our school may well be proud of their surroundings.
DEDICATION

This edition of MEMORY is dedicated to our Parents, who are responsible for our being here at Oxford, and to the parents of past years who have proved themselves true friends of the school, and have been instrumental in its success.
ALMA MATER

In the heart of dear old Dixie,
Where the sun doth shine,
There is where our hearts are turning
'Round old Emory's shrine.

We will ever sing thy praises,
Loyal sons and true.
Hail thee now, our Alma Mater.
Hail the gold and blue.

Though the years around thee gather,
Crowned with love and cheer,
Still the memories of old Emory
Grow to us more dear.

We will ever sing thy praises,
Loyal sons and true.
Hail thee now, our Alma Mater.
Hail the gold and blue.

**MY EMORY CO-ED**

I take my heart in my hand  
And throw it at your feet,  
Your eyes as stars of twilight fair,  
Your face reflecting Heav'n so sweet.

**Chorus**

My Emory Co-ed is my sweetheart,  
And she's the best I know.  
Her sunny smile haunts me all the while;  
Its brightness banishes woe.  
A glance from her eyes is paradise;  
She speaks and sorrows depart;  
A friend to me,  
A pal is she;  
She's my sweetheart,  
My Emory Co-ed.

GLEE CLUB

THE GLEE CLUB has just finished its seventh season under the direction of Professor Eady. This club, more than any other campus organization, provides instructive, amusing, and cultural advantages in the presentation of worthy attractions and self-managed musical events.

This year the Glee Club sponsored an appearance of the Emory University Glee Club, made a number of trips to distant towns including Eastman, Hawkinsville, Louisville, Eatonton, Madison, and Monroe where they presented an original three-act musical comedy, "The Midnight Ghost," the music and dialogue composed by Professor Flanders.

One of the main events of the school year was the Glee Club banquet given in Haygood hall on May ninth.

Next year with many of the members returning, the Glee Club hopes to enlarge its repertoire and present more performances than during any other season.

FEW LITERARY SOCIETY

FEW LITERARY SOCIETY was organized in 1839 by a group of boys who saw the desirability of having such a society on the Emory Campus. The first meeting was held August 10, 1839, with fifteen members on roll. The society was named Few in memory of Emory's first president. The present meeting-place was built in 1841. The purpose of the society was to further interest in debating and public speaking. Many men who later rose to fame were enrolled in Few Society.

Few Literary Society plays an important role in developing the abilities of its members. Several very interesting debates between Few and Phi Gamma were held during the past year.

PHI GAMMA LITERARY SOCIETY

PHI GAMMA was organized in 1837, to provide a place of leisure and study for the students, and, through discussion, to familiarize the students with events of the day. During the War between the States, society activities ceased, and were not resumed for several years afterward. The society hall was used as a hospital during the war.

Bishops W. A. Candler, A. G. Haygood, and L. Q. C. Lamar, Justice of United States Supreme Court, are among the famed sons of Phi Gamma.

The society showed a marked increase in enrollment and enthusiasm this year, with the help of Miss Adams and Prof. Brown. A good deal of talent was shown in the inter-society debates held this year.

CHRISTIAN FELLOWSHIP

THE CHRISTIAN FELLOWSHIP is unique in that it minimizes organization and is powerful in that it has as its goal making the spirit of Christ which has in years past been the basis for this college, be alive and active in every heart. It is composed of boys who believe with Sherwood Eddy "That a Christian is one who is responding step by step, to the values he increasingly finds in Christ, and not just a man who accepts some formula, or transaction or shibboleth as an escape from reality, an alibi from duty, or a substitute for character.

The guide committee is composed of eight boys who are Christian leaders. They are sincerely trying to practice these principles themselves. This group chooses a leader among them who acts as the president of the Christian Fellowship. The following were the presidents for the fall, winter, and spring quarters respectively: Newton Wise, Walter DeMilly and Jack Allgood.

"A" COMPANY, as is becoming the custom, again took the banner of victory in her hands and carried it throughout the season undefeated. A heavy line, backed up by a fast, hard-driving backfield, carried the team to victory in every game with a comfortable margin of points. Some outstanding features were: Billy Williams' line-tearing drive, Wales Ellis' triple-threat performance, Jack Harrell's field generalship, and the outstanding line play of Garrett, Grabiel, and Williams.

Billy Williams led in yardage gained with 324 yards. Harrell and Ellis came next with 173 and 123 yards, respectively. "A" Company led in total yards gained, with 823 yards for the entire season.

"A" Company functioned perfectly as a team, and the players should be especially commended for their splendid cooperation and outstanding spirit of sportsmanship.

"A" COMPANY BASKETBALL CHAMPIONS

"A" COMPANY followed up her very successful football season with an equally successful basketball season. The first team, composed almost entirely of new men, downed all opposition offered by other companies throughout the season.

Led by Harrell and Tucker with eighty-seven and eighty-five points, respectively, the first team scored a total of 353 points for the season. Snelling and Williams, guards, were outstanding factors of the team's success.

The second team, led by Rose, Lewis, and Twitty closely followed the first team in losing only one game throughout the season.

"B" COMPANY did not have the abundance of material that "A" Company placed on the field, but they presented serious competition to the champions. The team was splendidly coached, and performed well throughout the season.

Outstanding in the backfield were Hendry, Brown, and McDaniel. Mozley, the only freshman member of the backfield, in view of his services this season presents promising backfield material for next year. Outstanding in the line were Pilcher, Wells, Thames, and Nipper. "B" Company promises an experienced line next year.

McDaniel led in yardage gained for "B" Company with 407 yards, Brown came next with 208 yards. Hendry was third with 126 yards. "B" Company ran up a total of 799 yards for the season.

"B" Company was in every game fighting hard, and much of their success can be attributed to this spirit.

"B" COMPANY BASKETBALL

"B" COMPANY’s basketball team was characterized by its determination and fight. The team as a whole did not seem to have the ability to "click," but some very interesting basketball was displayed by "B" Company. The first team, led by Hill and McDaniel with fifty-seven and fifty-five points, respectively, scored a total of 168 points.

The second team, led by Nipper and Roach, also displayed very good basketball ability. In spite of the diminutive teams placed on the court, "B" Company was a constant threat to other teams.

"C" COMPANY, the "hard luck" team of the season, placed a hard-fighting and competent team on the field, but was hampered by injuries throughout the season.

Outstanding features in the backfield were the ball-carrying ability of Goode, and the field generalship of Binns, triple-threat. Another outstanding back, Wilson Noles, was kept out of many games by injuries. Smith, Caldwell, W., and Barwick were outstanding in the line play.

"C" and "B" Companies furnished some hard-fought games and some of the most interesting of the season.

The most ground gained for "C" Company was by Binns, with 296 yards. Next came Goode with 181 yards, and Noles with 113 yards.

"C" Company, although hampered by injuries, placed a smooth-working team on the field, and throughout the season played clean, hard football. They deserved much credit for their efforts.

"C" COMPANY BASKETBALL

"C" COMPANY's basketball team had three outstanding old men to return from last year's team. McCartney led the team's scorers with seventy-one points, with Noles and Stone running second and third with fifty-five and forty-five points, respectively. The team scored a total of 195 points. Caldwell, W., Goode, and Jordan were also outstanding players for "C" Company. Although "C" Company held second high score among the companies, they tied with "B" for second place for the entire season in games won.

The second team took second place in their division. Led by Lanier and Willcox, the second stringers at times displayed fine basketball ability which showed fine prospects for next year's team.

BASEBALL

THE "C" COMPANY baseball team came out as champions of last season’s contests. It would be difficult to attempt to predict a winning team for this season, as every company has a quantity of good material.

Lewis, the outstanding pitcher of the last season, is back to toss 'em for "C" Company. McCarver for "B" Company, and Twitty for "A" Company also present good possibilities for "twirlers." All are old men.

Baseball on the Emory at Oxford campus always lures many enthusiasts, and some interesting and exciting intra-mural games are held. Games are also played at Emory University in which competition runs high.

SWIMMING

Much interest is evinced by students in this sport, and several intra-mural contests are held in this sport. "C" Company won the only contest held last year.

TENNIS

Regular tennis tournaments are held every year. Tucker, who is a new man, defeated Liggett, last year's champion. Stone, Johnnie Lewis, Quick, and McCartney are among the outstanding tennis players.

Several intra-mural Emory contests are expected this year, and competition should be close.

TRACK

The participation in field meets is one of the most popular sports on the campus. The season for this sport is in the Spring Quarter, and there are always many track enthusiasts.

Two Letter Meets are held, one at Emory University, in which the three branches of the Emory System participate, and one at Emory at Oxford, in which the competition is very keen. There are also many interesting intra-mural contests.

The only letterman returning from last season is Ben Freeman, who earned a letter in the mile race. In addition to Freeman, much good material is on hand this year, and a successful season is expected.

What Makes A University?

Calling a group of buildings a University doesn't make it a University.

A University must have money, men, ideals, and standards. Money for buildings, equipment and operating expenses. Scholarly men—men whose love of learning is animated by an even greater love of God and man—for a faculty. Ideals of character and conduct which tend to develop the higher and nobler side of the student's nature. Standards of training which insure that its students will receive what a University purports to give: instructors of the quality accepted and approved by the highest accrediting agencies.

You can get but one College education. Be sure that it is one which will stand the test of time.
