Heritage and Promise

Oxford College
Oxford, Georgia
Founded in a Strong Heritage...

Since the origin in 1836, Oxford has carried forward the heritage of excellence in academic pursuit, in cultural enrichment and in open communication between faculty and students. The Greek philosophy of democracy and learning is symbolized by Oxford's historic buildings.

These qualities and the historical relationship with the United Methodist Church resulted in the naming of Oxford as Methodism's sixteenth national historic shrine. In 1975 the community was designated The Oxford Historic District on the National Register of Historic Places.

There is great appreciation and affection for the Oxford heritage. At the same time new ideas are encouraged in the pursuit of knowledge.

Oxford has always offered a close, personal type of education. Her size gives students and faculty a sense of community as well as individuality. There are enough people to be stimulating, yet never so many that you can't have a chat with any one of them.

The history, the buildings, the philosophy, the people involved — all combine to make this a quiet but dynamic school, lively in the living of life, honest in the quest for truth, sensitive in the pursuit of beauty.

Oxford fosters a climate of inquiry, and intellectual honesty in the pursuit of truth. There is opportunity to develop personal responsibility and informed decisions about values as well as opportunity for everyone to establish his or her basis for continuing self development.
The spirit of the college is exemplified by Dooley, the campus skeleton. Dooley is released from his casket during the Fall Formal Dance to "see all and know all" until the Spring Formal, the time for his return to the tomb. Dooley is a way to make people aware of what is happening; he helps people to live together at Oxford.
The Oxford College
Heritage and Promise ...

... Fostering Individual Growth ...

Personalities develop as students play together through folk dancing as part of the Physical Education course, Rhythms. This is but one of many ways whereby the student is helped to understand himself and those about him.
Oxford has a significant number of alumni who are professionals who serve throughout the nation. Liberal Arts, as a basis for pre-professional training, has been the foundation of academic offerings since the origin of the college.
... Keeping Pace With Needs...

Spectacular improvements in the last 10 years have occurred in facilities. A new Women's Dormitory, Infirmary, Cafeteria Complex was built. Students, faculty, and staff joined in a joyful “book-walk” to a new, modern library. The old library is now the Card Student Center.

In addition major restorations were made to the historic Chapel, Language Hall, History Hall, and Few Hall. A new physical education building with an Olympic-size pool was added in 1975.
Growing in Potential...

No college can give an education.

Oxford seeks to help students educate themselves — for today and for tomorrow.

Oxford aims to be a community of learning where people progress toward intellectual and personal identity.
Challenging the Future.

Congratulations! You've had the opportunities of Oxford. Now fulfill her promise.

MÉXICÓ '75
After five weeks of seminars during the fall quarter, nine Oxford students set out with Dr. Warburton to trace the history of Mexican civilization. Three days visiting the Mayan ruins of the Yucatan started some believing in Chariots of the Gods. Then on to Oaxaca and the bargains in the Zapotic markets. Two days surfing on the Pacific as a “rest from ruins” got the group ready for five busy days in Mexico city. Museums, the ballet, jai-alai, the ruins of Teotihuacan...we’re all set to go back.
SPORTS . . .
SOCcer

Oxford's soccer team defended its title as Georgia Junior College Champions this year after a series of well-matched contests. Despite many injuries, Oxford retained its title and added five players to this year's All-State Junior College Soccer Team as well.
One contributing factor to the soccer team's success has been the display of school spirit and the turn-out of students and faculty alike to support the team at the games.
Mimi Masterson, escorted by Wes Robinson, was crowned Homecoming Queen for 1975-76 by Dean Flemming. Her court included: Sheila Martin, escorted by Leo Collins; Rhonda Miller, escorted by Andy Mendonsa; Laura Snitzer, escorted by Trip Smissen; Annette Long, escorted by Lane Higgens; Tricia Austin, escorted by Tom Lyons; and Anne Geer, escorted by Mike Reid.
Nancy Vickers, Jacquelyn Ellis, Jane Gilbert, Diane Carlson, Trisia Austin, Florence Rogers, Ellen Holmes, Randi Tischler, LaDonna Andrews, Dr. Greer, Coach. The team this year saw good participation from Oxford's best women tennis players. Under the coaching of Dr. Greer, the women gave a fine performance throughout the season.
The division of each men's dormitory into leagues enabled each team to play more games and to get more of a variety of play. Bonnell's League I took first this season, while Dickey-Haygood's League II claimed second, Bonnell's League II, third, and Dowman's League I, fourth.
WOMEN’S VOLLEYBALL

The women this year showed that they too could master the game. After accustoming themselves to the more complicated details of "power volleyball," the girls got increasingly better as the season progressed, resulting in exciting playoffs and championship games.
FOOTBALL

This fall’s brief but well-represented season resulted in a tie for first place between Bonnell and Stone, with Dickey-Haygood and Dowman folling in third and fourth, respectively.
Intramurals soccer had quite a good turn out this year, with Dickey-Haygood and Dowman finishing the exciting season in first place. Bonnell followed in second, and Stone in third.
MEN’S BASKETBALL

Already proved in their basketball skills, the men came into the season with much enthusiasm, leading to challenging playoffs and championships.
Our women showed great interest in this new endeavor by displaying techniques learned in P.E. classes. Although play was rough, the teams were well-matched, making every game exciting.
A new addition to intramurals, this version of "indoor soccer" saw the women of East wing complete the short season with a championship victory.
The rigorous sport of “water basketball” was highlighted this year by the addition of the new pool facility in the South gymnasium.

RELIGIOUS ACTIVITIES COUNCIL

Don Martin — President, Kurt Steunkel — Vice President, Nancy Moore — Secretary-Treasurer — RAC is a non-denominational fellowship that sponsors all religious functions on campus. There is Chapel Fellowship, Bible Study, “In-Quest”, plus concerts, retreats, and special speakers. Even though the RAC is ecumenical in approach, it holds that there is one God, and one way to God through the man Jesus Christ. The name of the RAC may be a bit misleading. Religion is not where it’s at but a relationship with the living God, through Jesus Christ, is!

DOOLEY’S DIARY

This is My diary. I present it to you, the beloved students of Oxford. This is not My complete account of all that I have written this year, but the meaning untold that is experienced in your own minds, will enhance the significance of the lines to follow:

Sept. 11, Seney struck eight, Fall quarter witnessed the shuffle of students to their first classes. My, there are some pretty faces and I think that My sophomore men have accepted the challenge while My sophomore women are burying their heads in anguish.

Sept. 13, The Old Gym had its rafters aired out as students boogied to sounds of Rock and Roll. It was a sight to behold; everyone really was going for it.

Sept. 22, My Spokesman made a grand entrance letting known his identity. Mr. Sheets received a standing ovation in tribute of this honor. This was followed by a letter of welcome, not to mention a few tails told.

Oct. 2, Unrest is upon Oxford as a mysterious radio station aired a prime time contest to get Erwin Shatzen a date for the up-coming keg extravaganza.

Oct. 4, It was good to see some old faces as 1st East threw a record breaking keg party for my 1975 grads.

Oct. 31, Ghouls and Phantoms floated about. A carnival for the spirited. A few of the faculty took a dunk and the Turkey got fat eating pie. The evening was a success as Stone celebrated the occasion with a costume party. Dr. Oliver was on hand to judge the costumes and I must say; he was in rare form as he displayed his unique sense of perversion. Later some of my students hit the hay as Scott Maloney put things into gear.

Nov. 1, What a night, unsuccessfully 2nd East attempted to keep the spirits moving. Unfortunately the mood was quite dead. Girls, I guess you’ll just have to try harder.

Nov. 7, The girls lobby bubbled with activity. The Marathon to raise money for the new party room was well on its way to success as the money started rolling in. Wesley Robinson chewed on a few privileged goldfish while Andy Mendonsa downed a shot-glass of Scotch till he could see no more. Todd Simon displayed his talents as a juggler, as Keith Bullock circled his way to fame on his skate board. Congratulations, 300 dollars shore ain’t bad.

Nov. 8, Todays events beheld a great victory for the soccer team. It was a magnificent feat of skill and a little luck to boot. Coach Shappell, again you have displayed your outstanding talents as a coach. Later that night I finally revealed My beloved self at a very classy dance. The halls of Farington became full of Mischievous Revelations as I slowly climbed from My casket. It was sincerely a pleasure to be greeted by Dr. Adams before I proceeded to get things rolling.

Nov. 11, Under the direction of Ms. Pruitt, Uncle Tom’s Cabin was presented to the campus in front of Phi Gamma. As always, much time and effort was tunneled into a performance. Cast, you deserve and receive My Eternal applause.

Nov. 22, All is quiet and still. The joyous holiday season is approaching.

Jan. 4, My students slowly trickled in, thus staring a new quarter off Fresh.
Jan. 5, Class scheduling is now official and I have come to notice that a few new and daring souls have ventured to place their faces in the Oxford crowd.

Jan. 16, The new party room below Haygood was officially opened with the presence of the Dean and many other campus dignitaries. Many old faces were present as the spirits were being passed. The entertainment managed to keep things rolling even above the soft roars of wilting fans. All in all, I do think that it was quite appropriate to give it such a dignified name as Dooley’s Tavern.

Jan. 24, Kappa Alpha Fraternity seduced many of my sophomores to their first rush party. Many attended, and from all indications it seemed as if all was enough to get things boozed up, for I noticed that one of my students was even able to remain over night, and Mark my words, it was not by his own choice.

Jan. 30, It was certainly a pleasure to visit my favorite campus in the day time. The inhabitants sometimes scare me when I make my night calls, but I am usually able to brush it off with a Cy. I must admit that it was good to see some of the professors, now if I can only figure out what they are professing to be, it will surely set my soul at ease. The Circus beckoned me on with weird cries as I made my way to the stage. All were at ease until the fun began. Coningly (pronounced like Cunningly only with an O) enough, I think it may have ruined the evenings benefits for some. Such a delicious cake, Dooley’s Dolls, you have done it again. The pillow was quite nice also. It truly was a joyous occasion and I am looking forward to next years Celebration.

Feb. 6, The Sigma Nu’s had a rush party at the main campus while back at Dooley’s Tavern, things exploded with Dowmans little get together. It was very entertaining to see a couple of people Millering around.

Feb. 12, My campus cleared out as a much needed quarter break was given. Many headed for snow, others trekked to sun country, there were even those who braved it up and remained behind with me. But I’m sure that wherever people went, it was for a wintery good time.

Feb. 24, Pierce had a visit from a rolling stranger. I hope no damage was done to this fine auto, it seems that it is an endangered species. They no longer find it feasible to produce this rare form of WusMobile. It is a shame the way that fellow students are always Robbing-Some-Body.

Feb. 25, My campus was enlightened with a little culture. It was really very interesting and didn’t set me to sleep once. More of these activities should be encouraged for I Kuhardly remember when an event was as enlightening as this has taken place.

Feb. 27, Tonight was the last night of an excellent play, The Crucible, directed by Ms. Pruitt and I must say that her talents never cease. To you Ms. Pruitt, and the Cast, I extend my compliments. Earlier today, an onslaught of students were hell bent on flooding the river. I only wish that My porous body would allow me to join in the splash. Later on in the evening after the play was over, my humble Tavern was filled with excitement as the band cranked up their rock and roll melodies.

Even I have been forced to submit to a demand, this demand lies in the deadline that Mr. Dupree has placed unto Me ... My thoughts are always of you, My beloved students, I hope that all will be Patrons to My Immortal Name, for one day you may also find yourselves in a realm of darkness in which there will be no escape ... Remember, Dooley KNOWS ALL AND SEES ALL ...

ETERNALLY
